# GOALS

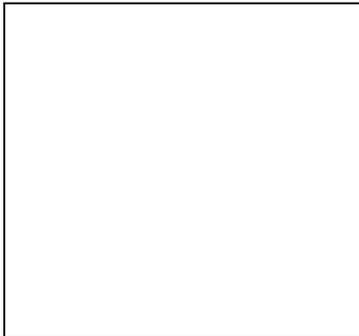

## FOR YOUR COMMUNITY

Blue Star Worksheet  
Ages 4-6

---

A goal is a target you strive to reach. Some goals are short, while other may take a long time to accomplish. Below, draw a picture of each of your goals with a description next to it. Parents may assist in writing. A goal for your community should be something that will help others. Try to use different goals than the examples shown. By setting goals we steer ourselves in the right direction in life.

---

**Short Range Goal** – A goal that takes very little time to accomplish.

Example: Being nice to & playing with someone who is sad or lonely.

---

---

---

---

**Mid Range Goal** – A goal that you must work a little longer at.

Example: Participating in your school fund raiser to help your school get money.

---

---

---

---

**Long Range Goal** – A goal that takes a long time to reach.

Example: Working hard to become a Junior Leader and help younger students in their class.
