GOALS in Education (school)

Blue Star Worksheet
Ages 4-6

A goal is a target you strive to reach. Some goals are short, while other may take a long time to accomplish. Below, draw a picture of each of your goals with a description next to it. Parents may assist in writing. Make sure your goals are things that are important to you. Choose goals to help you in school!

Short Range Goal – A goal that takes very little time to accomplish.
Example: Memorize a new shape or sound.

Mid Range Goal – A goal that you must work a little longer at.
Example: Learn all my sight or spelling words.

Long Range Goal – A goal that takes a long time to reach.
Example: Working hard to earn a good report card!
